

OFFROAD
WHEEL SERIES

NEW RELEASE: *ROH Crawler*

New to the exclusive range of ROH Dakar Proven Wheels®, the all new ROH Crawler 4x4 wheel comes in matt black finish with anodised aluminium bolts (not chrome plastic), and is available in 16", 17" and 18" sizes.

Crawler is a unique multi-spoke mesh style with concave spokes enhanced by a beadlock style lip and anodised aluminium bolts. This mesh race-inspired style gives your 4x4 a proud road stance, while at the same time possessing the strength and durability to easily conquer anything the city streets and beaten tracks alike can serve up.

Crawler features the ROH Easycleans® Matt Black Baked Enamel finish which provides superior salt spray performance and anti-weathering durability, making it an ideal wheel for both recreational and commercial end-users.

Crawler will fit a large range of the most popular 4x4 and SUV vehicles including top-selling **Hilux, Prado, Ranger, D-Max, BT-50, Triton** and **Navara**. Crawler is load-rated at 1050kg per and is an ideal choice when fitting a **GVM+** suspension upgrade.

ROH Crawler is available in-stock now so contact our sales staff today for available fitments and pricing.

Crawler Part Numbers & Fitments:

| Size | PCD & OFFSET |
|------------|--------------|
| 16 X 8.0" | PCD & OFFSET |
