

OFFROAD
WHEEL SERIES

NEW RELEASE: *ROH Havoc*

New to the exclusive range of ROH Dakar Proven Wheels®, the all new ROH Havoc 4x4 wheel comes in matt black undercut machined finish with anodised aluminium bolts (not chrome plastic), and is available in 16", 17" and 18" sizes.

Havoc is a unique twin 6-spoke with sweeping styled spokes enhanced by bright undercut machining beneath the gear-like outer lip and anodised aluminium bolts completing the mechanical look.

Havoc features the ROH Easycleans® Matt Black Baked Enamel finish which provides superior salt spray performance and anti-weathering durability, making it an ideal wheel for both recreational and commercial end-users.

Havoc will fit a large range of the most popular 4x4 and SUV vehicles including top-selling **Hilux, Prado, Ranger, D-Max, BT-50** and **Triton**. Havoc is load-rated at 1050kg per and is an ideal choice when fitting a **GVM+** suspension upgrade.

ROH Havoc is available in-stock now so contact our sales staff today for available fitments and pricing.

Havoc Part Numbers & Fitments:

Size	PCD & OFFSET
16 X 8.0"	PCD & OFFSET
HAV16830MB	6/139.7 30P
